

6th Grade ELA Summer Reading

Novel: Where the Red Fern Grows by Wilson Rawls

After reading the assigned novel students will:

Create an illustrated timeline of at least **5** important events in the novel. Add a caption to each illustration to explain the event with a short description. Be sure that all descriptions are in complete sentences and your illustrations and descriptions pertain to the novel's plot. You may use poster board to create your timeline or even 5 sheets of white construction paper taped together to make your 5 scenes. Please make sure that your pictures and captions are neat, in color, and large enough to be seen. The timeline will count as your first test grade for the 1st nine weeks.

The timeline will be due on the first day of school. Students will also have a quiz on the novel when they return to school. The comprehension quiz will be your first quiz grade on the 1st nine weeks.
