Welcome from the Head of School

Thank you for your interest in our wonderful school! I am proud of the education that we have provided to the families of Lee, Darlington, Kershaw, Florence, and Sumter Counties for the past fifty-five years and look expectantly to our future. We are committed to partnering with our families to develop each student's mental, moral, physical, and social potential. Every aspect of our school - the curriculum, class offerings, teachers, athletics, social and service clubs, chapel, and fine arts is operating toward that purpose. I believe Lee Academy can become more than just the school your children attend; it can become a part of your family. I am available to answer your questions now and promise to make myself available to you when you join the Cavalier Nation.

Sincerely,

Brad Bochette
