

Summer 2022 Reading Assignment for Rising 7th Grade
Mrs. Vicki Olson

Fish in a Tree
By Lynda Mullaly Hunt

This summer, rising 7th graders will be reading the novel Fish in a Tree by Lynda Mullaly Hunt. After reading the book, you will need to complete the assignment below and turn it in on the first day of school, **Thursday, August 11th**. A short comprehension quiz on the novel will be given on the first day as well. We will discuss and review the book in more detail during the first full week of school. Following the review, a novel test will be given.

Fish in a Tree Project:

Choose one of the characters in the book and make a Character Head. The template is attached along with examples. Please follow these directions for completing your Character Head:

- Character's name should be in largest font
- Include the title of the novel and author
- Include one significant character quote (include page number)
- Include two images that represent your character
- Briefly describe a turning point event involving the character
- Use an attractive color scheme with virtually no white space
- All text needs to be legible, dark and attractive (please do not use pencils)
- Head should be on cardstock or securely glued on construction paper or poster board
- Handwriting needs to be neat, free from grammatical and spelling errors
- Your name, date and class period should be on the back of the project

Project grade will be based on following the above directions.

Have fun and be creative!

If you have any questions at all about the project, please feel free to email me at volson@myleeacademy.org.
