

## Summer 2021 Reading Assignment for Rising 6<sup>th</sup> Graders

Mrs. Julie McCutchen

After reading the assigned novel students will:

Create an illustrated timeline of at least five important events in the novel. Add a caption to each illustration with a short description which explains the event. Be sure all descriptions pertain to the novel's plot. You may use poster board to create your timeline or even five sheets of white construction paper taped together to create your five scenes. Please make sure your pictures and captions are neat, in color, and large enough to be seen. This timeline will count as your first test grade for the first nine weeks.

This timeline will be due on the first day of school. Students will also have a quiz on the novel when they return to school. The comprehension quiz will be your first quiz on the first nine weeks.
