

Summer 2023 Reading Assignment for Rising 7th Grade
Mrs. Vicki Olson

Fish in a Tree
By Lynda Mullaly Hunt

This summer, rising 7th graders will be reading the novel Fish in a Tree by Lynda Mullaly Hunt. After reading the book, you will need to complete the assignment below and turn it in on the first day of school, **Monday, August 14th**. A short comprehension quiz on the novel will be given on Tuesday, August 15th. We will discuss and review the book in more detail during that first week of school. Following the review, a novel test will be given.

Fish in a Tree Project:

Choose one of the characters in the book and make a Character Head. The template is attached along with examples. All work on the Character Head must be your own work - your own handwriting and drawing. Please follow these directions for completing your Character Head:

- *Character Head should be on cardstock or securely glued on a piece of construction paper (no large posters, please)
- *Character's name should be written in the largest script
- *Include the title of the novel and author
- *Include one significant character quote. Use quotation marks and be exact. Include the page number where the quote can be found in the book.
- *Include two images that represent your character
- *Briefly describe a turning point event involving the character
- *Use an attractive color scheme with virtually no white space
- *All script needs to be legible, dark and attractive (please do not use pencils)
- *Handwriting needs to be neat, free from grammatical and spelling errors
- *Your name, date and class period should be on the back of the project

Project grade will be based on following the above directions.

Have fun and be creative. I can't wait to see what you do on this project!

If you have any questions at all about the project, please feel free to email me at volson@myleeacademy.org.
