Read your novel CAREFULLY, with special attention to the following:

- a. The title: be able to spell and punctuate correctly.
- b. Know the author's name, birth, and death years.
- c. The narrator: Who is telling it? Is it 1st, 2nd, 3rd person POV?
- d. Setting: When and where?
- e. Characters: names, relationships, what they do in the novel, why are they important to the story?
- f. Central conflict: What is the main struggle throughout the novel? Do different characters have internal struggles also?
- g. Plot: know what is happening throughout the story and the climax.
- h. Theme: be able to discuss the main message the author is trying to get across to you.

NOTE: on the tests, there will be DETAILED questions, so again, read CAREFULLY
